STANDOUT STYLES...

Our Beach Bag has become one of our top selling styles since its January introduction and has received rave reviews from *Elle Decor*, *HAMPTONS*, and beach going customers across the country! This super-roomy bag - complete with 6 large exterior pockets ideal for magazines, beach towels and snacks - makes it easy to enjoy a day in the sun or a trip to the beach! Inside is a discrete zippered pocket to keep keys, money or personal items on hand and protected from sand and water. Like all cinda b bags, the Beach Bag is water resistant, "outdoor friendly," and 100% machine washable.

HOT SUMMER FINDS

TERVIS TUMBLERS- For those hot days by the pool, at sporting events, or on the go, Tervis tumblers are just what you need. These insulated cups keep hot drinks hotter, cold drinks colder, and with no condensation. Our selection is the largest in the area. Mention our newsletter and receive a free lid with any Tervis purchase. New designs will be arriving in July!

CINDA B- Throw on your heels and that cute cocktail dress, and grab this little Wrap-A-Round Clutch to hit the town. Plenty of room for your cell, cash, and lip gloss – everything you need for a fabulous evening on the town. Perfect for all of your LITTLE essentials on a BIG night out!

FIRELITES- For those great summer nights on the back porch, firelites are the perfect accessory. Simply pour and light the citronella fuel and you have great table-top lighting that keeps those pesky mosquitoes away. These are wonderful gifts for those who love the outdoors.

PROVIDENCE HOUSE- I'm so excited to introduce our newest furniture line. With over 200 fabrics and 40 sofa groups with matching chairs, this line is wonderfully made and features styles that range from urban to casual to traditional. Made in North Carolina, Providence House is a lovely addition to our vast furniture collection.
